What they say...

"Your performance was simply fantastic! You certainly held our guests spellbound with your unique style of sleight-of-hand magical entertainment! Many members of our committee are still talking about it. On behalf of President George W. Bush, we thank you for making our special event so memorable."

Cynthia Grubb, Presidential Inaugural Committee

"This was the best Christmas party we have ever had, and much of that was due to your performance. Thanks!"

"I wanted to congratulate you on the job you did at our trade show. I have received many great comments on your act at our booth, and our sales are proof enough that it worked. I look forward to having you work with our company in the future."

"Very professional, as well as humorous. We can't wait to use you again!"

Joyce Hackett, Toyota

"I have seen many magicians and you are, quite simply, the best! Your magic is top notch and your humor had us rolling in the aisles! If you ever need a referral, feel free to call!"
