

## 2019 Retail Sites for Kansas Certified Seed in Bulk

To assist farmers in obtaining quality seed, in addition to purchasing bulk Kansas Certified Seed at the seed grower's primary place of business, the below listed locations are authorized by KCIA to sell Kansas Certified Seed in bulk.

*Your legal purchase of seed supports the seed industry and funds research and variety development benefitting agriculture. Thank you.*

(RF) designates a bulk retail facility authorized by KCIA to source and sell certified seed in bulk under its own name with labels obtained from KCIA.

(DC) designates a location contracted by a certified seed producer to sell bulk certified seed under that producer's label. These sites can only sell bulk certified seed for those growers that have registered them.

**!!! A (DC) designation does not permit the facility to receive certified seed to sell under its own label.**
